Our call center is waiting to take your order from 6:30am to 6:30pm. When you are ready to eat, please call 83463 (8DINE) or 248.898.3468 from outside. Please allow 45 minutes for delivery.

If you have diabetes, meals should be ordered about four hours apart to assist with your blood glucose control. Please notify your nurse when you place your room service order so that blood glucose can be coordinated with your meals.

On days when you can't use the phone to call in your order, please ask your nurse to have a representative of Nutrition Services come to your room to take your order. You also have the option of calling in your order a day before the Jewish Sabbath or Holidays.

For Kashruth questions, please contact
Beaumont Chaplain, Rabbi Aharon
